SCOUTING IN LUXEMBOURG

* Originally, May 1, 2026 was planned as the date for the second installment. Due to internal discussions, this date has been postponed to May 15, 2026.

** The fourth installment will be adjusted depending on the Early Registration discount/IST discount/regular participant cost. In addition, the total price might be adjusted down, depending on the actual cost of the trip.

! With this newsletter, we would like to remind you that the second installment is due by May 15, 2026 !

Invoice:

Are **more than three people** from your group attending the Jamboree?

- Then the invoice for the installments will be handled through the group.

Are **fewer than three people** from your group attending the Jamboree?

- Then you will receive the invoice personally.

Refund Policy:

- **The installments are due on the dates mentioned above and are non-refundable.**
- Exception: A suitable replacement participant is found. The final decision lies with the CMT.
- Any further refunds will be processed after the camp, once the final balance has been completed.

Updates from the organization:

Post-trip:

We are currently working on a concept for a post-trip: a 7-day program during which we will visit two cities. You can expect a good mix of nature, urban experiences, and Polish culture. More information about the trip and the costs will follow at a later stage.

Leaders' meeting:

On April 10, the leaders from the different units met in Mondorf and received the first important information. This was also an opportunity for the leaders to get to know each other and clarify initial questions. Participants will be contacted by their respective leaders later during this scouting year.

IST-Meeting:

On April 20, the IST members met for an online meeting, where they received initial information about their roles.

Transport:

We have decided to travel by bus, and we will be driving overnight.
