World Scout Jamboree 2027 – Poland Luxembourg Contingent Newsletter 5

Dear Guides and Scouts of Luxembourg,

We are pleased to present a new newsletter for the Jamboree 2027 in Poland. Here you will find concrete information about the trip!

Important Dates & Registration

Trip Date: 9 – 15 August 2027

Registration: Registrations open on 22 September 2026 at 19:00 and close on 6 October 2026. The deposit for the trip must be paid by 15 November 2026 and is processed through your group!

Registration can be completed via the following link:

https://wsj2027.sil.lu/en/umeldung-norees_en/

Important: Trip places are limited! Registration operates on a "first come, first served" basis.

Costs

The price of the trip is 750 euros per person. The costs includes transport, meals, accommodation, and activities.

Programme

Over the course of 7 days, 2 Polish cities will be visited with a focus on nature and Polish history. We offer you a full programme with a variety of activities that vary between modern cities and traditional cultural experiences.

However, the exact details of the trip remain strictly secret ;)

Important: During the trip, participants remain in their units with their leaders. Participants will continue to be supervised by their leaders.

Cancellation and Refunds

In general, cancellation after payment is no longer possible.

Exception: If you find a replacement participant that is deemed eligible by the CMT. The CMT team makes the final decision on eligibility and time constraints on replacement participants.

Potential refunds because of lower costs will be made post camp, after the accounts close.

Data Collection

In the next step, we will send out a link. On this link, you will need to provide additional information required for the individual registration with the organiser. This is mandatory for every participant and every leader in order to be able to take part in the camp. We will get back to you with further information once the time comes.
